

The Office of Global Health Research and International Activities (GHRIA) of the Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD) within the National Institutes of Health (NIH) is seeking outstanding candidates for the position of Program Analyst. This office plans, coordinates, and facilitates international research activities in the areas of maternal and child health and provides guidance on international health concerns to the leadership and scientists of the Institute; GHRIA also works with scientists and program officers to set program priorities and identify new and unique opportunities for international cooperation on issues related to maternal and child health, reproduction, and human development.

This Health Analyst is being recruited at the GS-12 level, with possibility for promotion to GS-13. Applications may be submitted online until April 28, 2009.

The position is listed under two vacancy announcements:

*HHS/NIH-2009-1697-CR-DE is open to all U.S. citizens.
